

Dear Hazel—

Now I have to have
the address of the ^{Blue Cross} Office
in North Carolina so's
I can put in a claim
for my insurance.

Also — the bill you
sent me is very int-
eresting and mysterious.
Does the hospitalization
cost cover just me or the
whole Levi family? I
hope you have also sent
Bill Levi a bill since he is
in a much better position
to pay you than I am.

Professor A. W. Levi, Dept of Philos.
Washington University, St. Louis.

the address soon.

Please send me
