M. C. Richards  
69 East 4th Street  
New York City, New York

Dear M. C. :

I received your card stating the telephone and mailing expenses.

Enclosed is a check for twenty dollars (\$20). It is an effort on our part to pay for the numerous incidental expenses you must have run into while doing publicity. The Board wished the twenty dollars (\$20) to be sent as an indication of our gratefulness and appreciation for your plunging into this publicity and doing something about it.

Flola got a release off to the Citizen Times, and they plan to have a representative out to cover the activities of the Seminar. Also, a press representative from Ceramics Age Magazine will be here through the whole Seminar. It looks as though we might have about twenty five students for the Seminar. Very little is happening the Crafts Institute.

Best from us all.

Sincerely yours,

Hazel-Frieda Larsen  
Treasurer
